table home of Mrs. Laura Wise was
thrown open to the young people
on Monday morning when Misses
Willie Mae and Tena Wise enter-
tained in honor of their house
guest, Miss Mary Capers of Washing-
ton, D. C. The lower floor was

C., was held on Tuesday afternoon
with Mrs. J. H. Crosson. After the
business session, Miss Willie Mae
Wise, the leader of the afternoon,
introduced Major J. A. Lester, who
occupied the program part of the
meeting. Major Lester in his usu-
ally happy manner compared the modes
of warfare in the War Between the
States with those of the recent war.
With the battle of Gettysburg as an
example the plans of the War Be-
tween the States explained the trials
and sufferings of our Confederate
veterans as compared with the
"new" veterans, made the loyal
daughters realize more fully the re-
spect due our veterans. Major Les-
ter further explained the use of
gases, air service, and other war im-
plements. The meeting was con-
cluded with the serving of an ice
course.

Mrs. J. C. Brooks entertained
Wednesday evening in honor of Misses
Mullenduce of Columbia, Misses
Lovelace of Mt. Pilgrim, Miss Cook
of Mt. Pilgrim and Miss Boozer of
Prosperity. Much merriment was
caused over the "Slang Contest" and
"The Tug of War." The prizes
were captured by Miss Estelle Shealy
and Miss Lizzie Livingston. Iced
melons and delicious ice cream was
served during the evening.

On Wednesday morning, August
13, services will be held at Zion
church in honor of the home coming
of the over seas boys. The speaker
will be the Rev. E. P. Taylor of Wal-
halla, a former pastor of Zion
church.

A pageant on "The Religious Ed-
ucation in the Home" will be given
by the Young People's society of
Grace church Sunday evening, Au-
gust 17, at 9 o'clock. Fifty-seven

TO CANVASS STATE COUNTY BY COUNTY

**Figure Set is Fifty Thousand
Farmers, Bankers, Business and
Professional Men.**

The State, 10th.

Plans for the whirlwind member-
ship campaign to be conducted by
the South Carolina Cotton Associa-
tion the last of this month provide
for a mass meeting to be held in
every county in the State during the
four days' period from August 19 to
22, inclusive, the week prior to the
membership campaign.

B. F. McLeod, State manager, has
engaged a number of the very best
speakers in the State for these mass
meetings. They are men who are in-
terested in the movement and be-
cause of their desire to see it suc-
ceed have offered their services for
these meetings. Mr. McLeod says he
will within a few days prepare the
itinerary for the speakers and will ad-
vise each of the county chairmen the
date fixed for the meeting in his
county and the speakers for his
county.

The prospects for success of the
membership campaign in South Car-
olina are exceedingly bright, Mr.
McLeod said yesterday. "South Car-
olina will rally splendidly to the sup-
port of the cotton association, be-
cause our people know of the magni-
ficent work that it has done. We
hope to procure a minimum of 50,-
000 members in this State. I believe
we will not be disappointed. Every
farmer, merchant, banker and pro-
fessional man in the State is asked
to join and we believe that most of
them will. The organization of the
farmers, merchants, bankers and
professional men of the South offers
to this section the greatest oppor-
tunity it has ever had."

The dues for membership in the
association from date of application
for membership to January 1, 1921,
will be 25 cents per bale of cotton
produced in 1917, and 25 cents per
\$1,000 capital invested in mercantile
and other classes of business, banks
or manufacturing plants. Profession-
al men will pay \$3 each. The dues
for 1921 and 1922 will be ten cents
per bale of cotton and ten cents per
\$1,000 capital per annum. The dues
will include the subscription to the
Cotton Journal, to be published by
the American Cotton association.

The objects and purposes of the
American Cotton association, of
which the South Carolina Cotton as-
sociation is an integral part, are:

"1. To protect the interests of
the cotton producer and to improve
his condition.

"2. To promote economic regula-
tion of cotton production to the end
that supply shall be so adjusted to
demand that the producer shall at
no time be required to sell his prod-
uct at less than a fair and reason-
able profit.

"3. To promote intelligent diver-
sification of crops, and to develop
markets for such crops, other than
cotton, as may be profitably raised.

"4. To improve and enlarge pres-
ent existing warehousing facilities to
the end that the producer may carry
his crop, or such part as he may de-
sire, at the minimum of expense and
physical damage and at the maxi-
mum of security and financial abil-
ity.

"5. To broaden the market for
raw cotton and to enlarge the uses
for cotton and cotton goods.

"6. To improve and increase
transportation and distribution fac-
ilities.

"7. To collect information as to
both domestic and foreign consump-
tion of cotton, the state of trade, the
extent of acreage, supply and condi-
tion of crop and all other informa-
tion of practical interest to the cot-
ton industry and to disseminate the
results through the several suborgan-

and Billie Nance of Columbia are
visiting their mother, Mrs. Alma
Nance.

Johnnie Langford of Camden was
home for the week-end.

Little Miss Sara Mae Rikard has
returned from the Columbia hospital
after an operation for appendicitis.

Miss Celeste Singley of Columbia
is spending a few days with her par-
ents, Mr. and Mrs. J. C. Singley.

Mrs. L. M. Fellers has returned
from Columbia.

izations of every member of every
community, together with directions
as to the course to be pursued in or-
der to secure the best results in view
of the facts disclosed.

8. "To do all and singular whatso-
ever may be conducive to the stabili-
ty and profitability of the cotton
producing industry."

STREET CARS STOP IN GREENVILLE

**Strike Called in Greenville, Ander-
son and Charlotte and Winston-
Salem, N. C.**

Charlotte, N. C., Aug. 10.—Char-
lotte and Winston-Salem, N. C., and
Greenville and Anderson, S. C., were
without street car service today, fol-
lowing the strike of the motormen
and conductors announced at 2:00
o'clock this morning. No disorder
occurred here and none was reported
at the other cities involved.

The officials of the street railway
in four cities declared that no at-
tempt would be made to operate the
cars at present nor until adequate
forces of competent operatives could
be secured to man the cars without
importing "strike breakers." It was
said also that in employing men to
resume car service no discrimination
would be exercised against the strik-
ers or union men, but President Z.
V. Taylor, who arrived tonight from
Asheville, said the company would
not deal with the Amalgamated As-
sociation of Street and Electrical
Railway Employees of America. The
company was ready at any time,
however, he said, to deal with the
local union representatives.

As to the demands for increased
wages, President Taylor said the re-
venues of the company do not war-
rant increases, in addition to those
voluntarily announced by the com-
pany on July 31, effective August
1, ranging from 20 to 30 per cent.,
which increases the carmen have de-
clined to accept.

SHORT CAMPAIGN FOR STATE MEMORIAL

Columbia, Aug. 10.—On Septem-
ber 29th last year, South Carolina
troops in the immortal Thirtieth
(Old Hickory) Division smashed the
theretofore impregnable Hindenberg
line and hastened that which be-
came inevitable when the United
States entered the war against
Germany. On November 11th
the armistice was signed. This
year, on September 29th, first anni-
versary of the smashing of the Hin-
denburg line, the campaign to raise
a fund to erect a memorial to South
Carolina soldiers and sailors who
made the supreme sacrifice in the
Great War for human liberty and
for the preservation of civilization
will open. It will close on November
11th, first anniversary of the sign-
ing of the armistice.

These dates with their signifi-
cance for all Americans, and the
first with particular significance for
the people of this State, were decid-
ed upon by the South Carolina Mem-
orial Commission, meeting in Co-
lumbia July 30th. The fund to be
raised is \$400,000, to which will be
added \$100,000 appropriated by the
legislature at the last session, mak-
ing half a million dollars for a fit-
ting memorial to South Carolina's
hero sons.

At the meeting of the memorial
commission a petition from a num-
ber of physicians, asking that the
plans for the form the memorial
shall take, was changed and that
instead of a temple a hospital be
built, was received and carefully
considered, but since the statute un-
der which the commission was cre-
ated and which appropriates \$100,
000 toward the memorial, the com-
mission was powerless to alter the
plans as previously announced. It
was decided to proceed with the cam-
paign for funds according to the
original plan.

The work of organization is now
proceeding. The campaign will be
conducted along the lines of the sev-
eral Liberty Loan drives. Chair-
men will be appointed in each coun-
ty. These will be asked to complete
their county organizations of work-
ers in time for the opening of the
campaign. The quotas of the sev-
eral counties will be announced in
the near future.

RESULT OF THE ALFALFA- CLOVER CAMPAIGN

**Campaign Conducted During Thurs-
day and Friday by County Agent
Mills Very Successful.**

The alfalfa-clover campaign dur-
ing Thursday and Friday, conducted
by County Agent T. M. Mills with
the assistance of Mr. A. A. Mc-
Keown, district agent of Rock Hill,
S. C., was very successful. Thirty
men agreed to sow alfalfa this fall
and agreed to purchase their seed
cooperatively through the Rock Hill
Alfalfa association which has been
very successful in getting good, pure
seed.

Orders were also taken for 175
tons ground lime rock to be shipped
cooperatively and delivered to the
farmers, most of which will be used
on land preparatory to sowing alfalfa.

Alfalfa is one of the very best of
the legume crops, both for hay and
grazing and with the proper prepara-
tion and fertilization of the soil
it can be successfully grown in
Newberry county.

We are glad to see that the farm-
ers are making a start to grow some
alfalfa.

If others wish to join in this co-
operative shipment of seed and
ground lime rock they will please
notify County Agent T. M. Mills
within the next few days.

The following is the list of the
farmers who had agreed to go into
the alfalfa growing under the plan
outlined up to Saturday afternoon.
Mr. Mills will not be able to take on
many more. These will plant about
an acre on the average, some plant-
ing only half an acre and some
more, but the plan is to have each
one plant at least one acre. This is
another one of the many good things
being done by Mr. Mills to help the
farmer.

BAPTIST WORKERS CONFER.

**Pastors and Laymen of Reedy River
Association Discuss Seventy-five
Million Dollar Campaign.**

Baptist pastors and laymen of the
Reedy River association, composed
of 13 churches in Newberry county
and one of Laurens county, assem-
bled at the First Baptist church here
Friday, afternoon at 2 o'clock to dis-
cuss the Baptist seventy-five million
campaign. Practically every section
of the county was represented and
a wonderful unity of spirit and pur-
pose marked the proceedings of the
conference throughout. Rev. R. H.
Buriss, associational organizer, pre-
sided and G. R. Pettigrew, publicity
director, acted as secretary.

The object of the conference, as
set forth by the chairman, was two-
fold: to deal tentatively with the
matter of apportioning the associa-
tional allotment of \$104,167 to the
various churches; and to make rec-
ommendation as to an inspirational
program in the interest of the big
campaign at the annual meeting of
the association September 2 and 3.
After discussion, a motion was
adopted requesting the executive
committee of the association to de-
voted the entire second day of the
annual meeting to the seventy-five
million campaign, and to cooperate
with campaign headquarters in
Greenville in preparing a special pro-
gram for the day. As to apportion-
ment, the following committee, con-
sisting of one representative from
each church in the association, was
appointed to deal with this matter
and make recommendation to the
associational committee in an ad-
visory way:

W. H. Long, Bethel; J. E. Senn,
Bush River; W. H. Sanders, Cross
Roads; J. Will Suber, Enoree; E. P.
Driggers, Eastside; T. J. Oxner, Fair-
view; Edgar Nabers, Hurricane; J.
S. Werts, Mount Zion; I. H. Hunt,
Newberry First; J. W. Courtney,
Oakland; Mrs. Miller, Prosperity;

Dr. W. O. Holloway, Saluda; J. W.
Hipp, Whitmire; J. M. Davis, West
End.

This committee is to meet at the
call of Rev. R. H. Buriss, ex-officio
chairman, and J. Y. Jones as clerk
of the association will act as secre-
tary.

In the next five months the effort
will be made to enlist every mem-
ber of every church in the campaign
and to secure a worthy contribution
or subscription from each, payable
during the next five years.

BAPTIST CONVENTION TO MEET EARLIER

Greenville, Aug. 9.—On account
of the fact that the Baptist campaign
to raise 75 million dollars in the
South, and five and a half millions
in South Carolina, will take place
Nov. 30 to Dec. 7, the South Caro-
lina State Baptist convention will
hold its annual meeting about a
month earlier than the date formerly
announced for the 1919 session.

At a recent meeting of the execu-
tive committee of the convention,
decision was taken to hold the 1919
convention on Nov. 10, instead of
later, in December. This convention
will meet at the First Baptist church
in Columbia, S. C. While a great
deal of the organization and prepara-
tion for the great campaign will
have been completed by that time,
the forthcoming drive will be one of
the foremost subjects before the
Baptists of the State at this annual
convention, and the sessions are ex-
pected to give a tremendous stimu-
lus to the 8-day money-raising
drives. C. B. Bobo, of Laurens, a
prominent South Carolina Baptist, is
president of the convention.

On account of the change in date
of the convention, the books of all
the convention boards will close on
October 30 this year a month earlier
than formerly. All of the associations
of the State must hold their annual
meetings prior to this date. This
will necessitate a change in the
dates of some associational meetings
which have been set for November.

The Baptist women of the State
will play an important part in the
forthcoming campaign. Mr. J. R.
Fizer, of Columbia, who is State or-
ganizer for the Woman's Missionary
Union, and Mrs. J. D. Chapman, of
Townsville, president of the State
W. M. U. and Vice-president for
South Carolina in the W. M. U. of
the Southern Baptist convention, are
members of the campaign council for
the Baptist 75 million campaign.
The various Sunday schools of the
State will also be looked to for
about \$250,000 of the South Caro-
lina quota.
